Not content to follow the 'rules' of traditional wallcoverings, the folk at Effinger have created a giant wall mural featuring a gorgeous pastoral vignette reminiscent of a scene from toile fabric. It's perfect for adding a touch of elegance in a very contemporary way, and to well and truly make a statement. The Effinger Amore II Collare Toile Pleasure wall mural measures 2.79 metres by 1.8 metres, and costs \$98. For stockists, call (03) 9532 2653 or visit [www.ubabub.com](http://www.ubabub.com)

**table manners**

Tracie Ellis, the creative force behind bed linen label Auro, has collaborated with Indian artisans to produce a collection of handcrafted napery and aprons. Discover bold, graphic prints and classic French-style stripes nestled on soft cotton and imbued with lovely texture and handmade details. Your table will be the talk of the town. Napkins, from \$9.95/ set of 6, for stockists, call (03) 9532 6090 or visit [www.aurohome.com.au](http://www.aurohome.com.au)

**'Tofsy Timber' set, \$991. 'Tofsy' change table, \$649.95. Both Ubabub.**

**Baby, it's cool inside**

First-time parent, don't despair. You don't have to abandon your uber-cool 20th-century-modern styling just yet! When Natasha and Daniel Dumais became parents, they wanted something stylish for their little one to sleep in, and so Ubabub, a collection of cots, furniture and accessories, was born. The designs are chic, safe and can integrate into any modern home, plus the cots have built-in longevity, with the ability to be converted to junior beds. For stockists and to view the full range, call (03) 9532 9995 or visit [www.ubabub.com](http://www.ubabub.com).

**HB bookclub**

Our top two (also celebrating bookclub this month...)

**See La Vie De (\$45, Hilda Green)**  
Craft queen Pip Lindrose brings her clever eye and smart ideas to her latest book, which features 24 cool sewing projects, perfect for beginners. From a blanket to 'take to the movies' to cushion covers made from second-hand t-shirts. With the same quirky charm as Pip's shop, *Planet Ha at Hikes*, this book offers loads of inspiration.

**Stitch! (\$14.95, Quindilla)**  
When it comes to adorable patterns and jummy homewares with a touch of kitsch, Cath Kubson has achieved almost girlie-like status. Her new book is guaranteed to inspire you with all sorts of ways to incorporate needlepoint and cross-stitch designs into everyday projects.
